Los Angeles, CA 90012

Dear Supervisors:

**AMENDMENT OF CONTRACT FOR
OFF-SITE STORAGE AND RETRIEVAL OF RECORDS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

This action is to extend this contract on a month-to-month basis for up to three months to enable the Department of Public Works to delay finalizing the solicitation process for a replacement contract until the Chief Executive Office completes a Countywide master agreement for this service.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve amending Contract No. 71063 with Iron Mountain Information Management, Inc., located in Vernon, California, for Off-Site Storage and Retrieval of Records, to extend the contract on a month-to-month basis for up to three months not to exceed a contract aggregate amount of \$25,000, for the three-month term, effective October 14, 2008.
2. Authorize the Acting Director of Public Works or his designee to increase the contract aggregate amount up to an additional 25 percent for unforeseen, additional work within the scope of the contract, if required.

3. Authorize the Acting Director of Public Works or his designee to execute the amendment upon proper execution by the contractor and approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to extend Contract No. 71063 with Iron Mountain Information Management, Inc., for as-needed off-site storage and retrieval of records services on a month-to-month basis for up to three months. The amendment is required to enable the Department of Public Works (Public Works) to delay finalizing the solicitation process for a replacement contract until the Chief Executive Office completes a Countywide master agreement for this service.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Service Excellence (Goal 1) and Organizational Effectiveness (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. The requested not-to-exceed aggregate amount is \$25,000 plus 25 percent of that amount for unforeseen, additional work within the scope of the contract, if required, for a maximum three-month period. Financing for this service is available within various Fiscal Year 2008-09 funds. When the need arises for services under this contract, financing the required service will be made from the appropriate fund source. Total expenditures under this contract, however, will not exceed the contract aggregate amount approved by your Board, and no services will be ordered without the funding authorization of Public Works' Financial Management Branch.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The amendment, which is substantially reflected in the attached form, will continue the contract's current terms, specifications, and conditions. The unit rates of these services were increased by 15 percent to account for increase in fuel prices. The Acting Director of Public Works or his designee will execute the amendment in accordance with your Board's authorization and only upon proper execution by the contractor and approval as to form by County Counsel.
